

LAWN CARE SPECIALIST

Job Description:

Classic Lawns
Springfield, MO Area

\$30,000 - \$50,000+ a year

Are you looking for a career where :

- You are working with friends
- Not micromanaged
- Supported by a team
- Get the training you need to be successful
- Work outdoors

Then keep reading we have an opening for you:

To work for Classic Lawns is to represent the best earth friendly lawn care company in Springfield. A few of the key ingredients to being the best is our great team that cares about growing the best lawns, an intense interview process (we don't take just anyone), great team members that strive for excellence, and a mission to help people.

We Want Our Next Team Member To Be:

- An enthusiastic, goal oriented, happy person
- Passionate about the outdoors and helping people
- Adult enough to manage their time and resources well

A Lawn Care Specialist will consult with clients on a full range of horticultural issues, while providing fertilization, weed control, and seeding services. Through phone conversations, email, text as well as face to face consultation we teach homeowners about our unique Lawn Care Program and how to better care for their property.

What You Must Have:

- 1 year experience in landscape or outdoor related field
- Excellent communication skills (both written and verbal)
- Valid driver's license with a good driving record
- When possible we use ride on equipment, but you must have the ability to move 50# bags, push spreaders and pull 300' hoses, and walk long distances in all weather conditions.

At Classic Lawns people make for a great team and keep our company strong. We have been helping homeowners since 2005 and now are looking for more professionals to continue our mission of making every homeowner proud of their lawn. This is a career position at Classic Lawns. This is a position where you get to act like an entrepreneur while being a part of a larger company. If you are a self-starter, with ambition, this position could be for you.

Job Type: Full-time

Salary: \$30,000 to \$50,000+ /year

Experience:

- Lawn Care: 1 year preferred, but we will train the right person

License:

- Pesticide Applicators License or the ability to obtain the license
